Guilford Parks & Recreation completed its first annual Holiday House Decorating contest on Dec. 16, when the top three homes were selected by a panel of judges after viewing all entries. "Guilford Dollars" gift certificates were awarded. Third prize, a \$50 gift certificate, went to Carmine Vietri of 94 Wilderwood Drive. Second prize and a \$75 gift certificate was awarded to Glenn Hawley of 47 Wildrose Avenue. The winning home, shown here, earned a \$100

gift certificate for Joe Petrowski of Valley Shores Drive. Petrowski, a college student, has been creating seasonal lighting displays outside his family home for several years and always produces a show-stopper at Christmas time. Petrowski has used past displays to generate thousands of dollars for a number of charities by placing a collection box outside for drivers to drop off donations. This year, Petrowski is collecting donations for the Epilepsy Foundation.
